

With the passing
of time, the
flowers will
fade away, but
the memories of
creating them,
with the people
you love? That's
something that
will last a
lifetime.

Flowers & Frolics

PACKAGE WEDDING
FLOWERS BY
FMK

Background

If you're the kind of couple that's wanting to soak up all the little moments on the journey towards the wedding day, then this one's for you. I've designed this package, the first of its kind for FMK, with 'creative types' in mind and for those that are game for a little 'wedding DIY' - not a lot, just a little! 'Flowers & Frolics' is a dream come true if you're trying to create a 'no-fuss' wedding that's full of memories and mindfulness and it's the perfect way to get everyone involved, in a creative way, in the run-up to your big day. Alert your MOTB, MOTG, Auntie Rosie and every other green-fingered friend that'd bite a hand off to get doing the table decor - this is (IMHO) the personal wedding flower solution of dreams!

The Package

The Tricky Bits (Me!)

Your bouquets, buttonholes and any other personal flowers like corsages etc. will be hand-crafted by me, in my signature style.

The Fun Bits (You!)

A bucket of luxury blooms and lush foliage will be yours to collect in the days leading up to the big day; stems counted and conditioned so you don't have to worry. There'll be enough material to create one large centrepiece, or two medium centrepieces, or at least eight bud-vase arrangements (or whatever else you've got in mind!). Water vessels for you to arrange your flowers in are included with the package as standard, which of course are yours to keep forever!

Pricing

'Flowers & Frolics' is priced at £550 for 2022 and 2023 weddings. Select package add-ons are available with pricing available upon request.

Q. I have two Bridesmaids, but the package only includes one Bridesmaid's bouquet. Can I order an extra bouquet?

A. I totally understand that you may need extra flowers for your bridal party and/or extra 'buckets of blooms' to create additional pieces of venue decor. Please let me know what extras you think you will need and I will work out an add-on price for you. Note, 'extras' are limited to bridal party flowers (e.g. buttonholes, bouquets, hair flowers, flower crowns, corsages) and 'buckets of blooms'. Florist-prepared arrangements such as floral pedestals, arches and pew ends are not available as add-ons to this package.

Q. Do you offer substitutions?

A. I do! A corsage not your Mum's vibe? No worries! Please let me know if you're thinking about the possibility of making substitutions within the package and I'd be happy to talk you through what your options are.

Q. Are your flowers locally-sourced?

A. Sourcing flowers locally is perhaps one of my greatest challenges as a Wedding Florist based in County Fermanagh! It's not an impossibility of course, and I'm continually networking and experimenting to find the best way to support local growers, reduce my carbon footprint and still provide the floral aesthetic my couples know and love. For your wedding, I'll therefore be using a mix of blooms imported from Holland as well as whatever goodies I can find at local flower farms, and within my own (slightly unruly!) cut flower patch (Summer months only).

Q. How many stems are included in the bucket?

A. 50-70 stems of flower and foliage; enough to make x 1 large arrangement, x 2 medium arrangements or at least 8 small arrangements.

Q. Can I choose my own colour palette?

A. You can choose from 3 colour options:

BRIGHTS, WHITES or PASTELS.

Do let me know what colour your Bridesmaid/s will be wearing also, as it will help me to tie everything in!

Q. Can I choose which flowers to include and exclude?

A. The short answer is 'no', but don't panic! If there is a particular flower that you really don't want making an appearance on your big day e.g. sunflowers because you've got allergies, then simply let me know ahead of time and I'll make sure not to invite them to the party. Whilst you won't know in advance which flowers and foliage I've chosen for you and your wedding, there's one thing you can be sure of - that the flowers I've selected will be thoroughly beautiful and totally memorable. Thanks in advance for trusting my creative judgement - I won't let you down.

Q. What kind of flowers are included in the 'bucket of blooms'?

A. You will be delighted by the bountiful selection of focal, filler and accent flowers that I'll have chosen for you which will include premium flowers for example roses, dahlias, orchids and peonies, as well as a selection of foliage. It is my aim to provide the very best of what's available at the time including scented and/or interesting flowers wherever possible (forget what you've seen at the supermarket, because this ain't it!).

Q. How do I prepare my blooms before arranging them?

A. A bit like Flash, I do the hard work, so you don't have to! The flowers and foliage in your 'bucket of blooms' will already have been conditioned and treated to fresh water and flower food when you receive them, so simply place the bucket somewhere cool and away from draughts until you're ready to start arranging them. No need to refrigerate!

Q. What do I do with the water vessels after the wedding?

A. It's entirely up to you, but you could give them to your wedding guests to take home as a sweet memento of the day or keep them to decorate your home after the wedding. The bucket/s your blooms will have travelled in will also be yours to keep.

Q. How much does this package cost?

A. The package is priced at £550 for 2022 and 2023 weddings. Included in this price is local delivery (within 10 miles of BT94 4PB) and your water vessels (so there's no need for you to worry about returning anything to me after your big day). I'll also throw in a super-cute FMK jute tote for you to carry your water vessels (which will be supplied in protective boxes). I mean, who doesn't love a tote!?

Q. Do we have a consultation?

A. I would be delighted to talk you through the package and to answer any and all of your questions, by phone, prior to you placing a booking. Please email me to arrange a time for our call. If 'Flowers & Frolics' sounds like a good fit for your wedding, all that's left to do is secure your booking with a deposit. I will touch base with you again about a month before your wedding to discuss your choice of water vessels and to finalise arrangements for collection / delivery.

Q. How do I secure my booking?

A. A non-refundable (but transferable due to the current Covid-19 situation) deposit of 50% is required at the time of booking, with the remaining 50% payable 2 weeks before your wedding date. The preferred methods of payment are: Bank Transfer or Cheque.
