

With the passing  
of time, the  
flowers will  
fade away, but  
the memories of  
creating them,  
with the people  
you love? That's  
something that  
will last a  
lifetime.

## LUXURY PACKAGE WEDDING FLOWERS

**Q. I have three Attendants / Persons of Honour / Bridesmaids but the package only includes two additional bouquets. Can I order an extra bouquet?**

A. We totally understand that you may need extra flowers for your wedding party and/or extra 'buckets of blooms' to create additional pieces of venue decor. Please let us know what extras you think you will need and we will work out an add-on price for you. Note, 'extras' are limited to personal flowers only - things like buttonholes, bouquets, hair flowers, flower crowns and corsages. You may also order extra 'buckets of blooms' if you wish. Florist-prepared arrangements such as floral pedestals, arches or other floral installations are not available as add-ons to this package.

**Q. Do you offer substitutions?**

A. Yes! A corsage not your Mum's vibe? No worries! Please let us know if there are things you'd like to substitute within the package and we'd be happy to talk you through your options.

**Q. Are your flowers locally-sourced?**

A. Sourcing flowers locally is perhaps one of our greatest challenges as Wedding Florists based in County Fermanagh. It's not an impossibility of course, and we're continually networking and experimenting to find the best ways to support local growers, reduce our carbon footprint and still provide the floral aesthetic our couples know and love. For your wedding, we'll therefore be using a mix of blooms imported from Holland as well as whatever goodies we can find at local flower farms, and within our own cut flower patches (Summer months only).

**Q. How many stems are included in the bucket?**

A. Approximately 50 stems of flower and foliage; enough to make x 1 large arrangement, x 2 medium arrangements or at least 8 small arrangements.

**Q. Can I choose my own colour palette?**

A. You can choose from 4 colour palettes:

**DARK + MOODY**  
**CLASSIC WHITES**  
**PRETTY PASTELS**  
**REST OF THE RAINBOW**

Do let us know what colours will be featuring in your wedding as it will help us to tie everything in.

**Q. Can I choose which flowers to include and exclude?**

A. The short answer is 'no', but if there's a particular flower that you really don't want making an appearance on your big day e.g. sunflowers because you've got allergies, then simply let us know ahead of time. Rest assured that whatever we choose for you will be thoroughly beautiful and totally memorable (and anything but average!).

**Q. What kind of flowers are included in the 'bucket of blooms'?**

A. You will be delighted by the bountiful selection of focal, filler and accent flowers that we'll have chosen for you which will include premium flowers for example roses, dahlias, orchids and peonies, as well as a selection of foliages. It is our aim to provide the very best of what's available at the time including scented and/or interesting flowers wherever possible (forget what you've seen at the supermarket, because this ain't it!).

**Q. How do I prepare my blooms before arranging them?**

A. You'll be happy to hear that we do the hard work, so you don't have to! The flowers and foliages in your 'bucket of blooms' will already have been conditioned and treated to fresh water and flower food whenever you receive them, so simply place the bucket somewhere cool and away from draughts until you're ready to start arranging them. No need to refrigerate!

## Q. What do I do with the water vessels after the wedding?

A. The water vessels (i.e. vases, bottles, compotes) provided in both our SIGNATURE and CREATIVE packages are included in the price and are therefore yours to keep forever.

It's entirely up to you what you do with them when the day is over. As a suggestion, you could gift them to your wedding guests as a sweet momento of your day or you could keep them to decorate your home after the wedding. If you've booked the CREATIVE package, then the bucket/s your blooms will have travelled in will also be yours to keep.

## Q. How much does this package cost?

A. Our SIGNATURE package is priced at £750 and our CREATIVE package is £650 for weddings taking place in 2024 and 2025. Included in this price is local delivery (within Fermanagh area).

## **Q. Do we have a consultation?**

A. We would be delighted to talk you through our luxury package flower offerings, and to answer any and all of your questions, by phone / video-call prior to you making a booking. Please send us a message to arrange a time for our call. If Flowers & Frolics sounds like a good fit for your wedding, all that's left to do is secure your booking with a deposit. We will touch base with you again about a month before your wedding to finalise arrangements for your day.

## **Q. How do I secure my booking?**

A. A non-refundable deposit of 50% is required at the time of booking, with the remaining 50% payable 2 weeks before your wedding date. The preferred method of payment is: Bank Transfer.
